Joint-locking in Ground-fighting with Scott Taylor Sensei The "Dirty Demon Wristlocker"

November 15th, 2025 — 1:00 to 4:00 p.m.

Shihan Scott Taylor is nicknamed the "Dirty Demon Wristlocker" for his signature method of taking standard aikijujutsu joint-locking techniques and applying them in ground-fighting situations, resulting in instant submissions. Several members of Itten Dojo had the chance to train with Taylor Sensei at the JMAC Crucible last July and we were very deeply impressed.

Taylor Sensei will present a seminar at Itten Dojo on Saturday, November 15, from 1:00 to 4:00 p.m. Participation is open to all members of the dojo, invited guests, and local law enforcement.

Registration fees are:

- \$55 prior to November 1.
- \$65 November 1 and thereafter.
- \$25 for local police officers (eight spaces are allocated call or email to reserve).

Taylor Sensei has been studying Japanese Jiu-Jitsu for more than 25 years and currently holds the ranks of 6th-Dan in Japanese Jiu-Jitsu, black-belt in Tae Kwon Do, and brown-belt in BJJ. Taylor Sensei instructs internationally from his home base in Ontario to offer seminars across Canada, the United States, and the United Kingdom.
